

① 5a ⚡ Extérieure\*\*\*

35m. A great route up the corner, with the final overhang still offering resistance. (Cal: C, E)

② 6a ⚡ Aurélie\*\*

37m. A damn awkward roof low down is rewarded by charismatic climbing above. Old belay midway. (Cal: C, S, E)

③ 6a ⚡ Plain Soleil\*\*\*

35m. A well protected stunning line, audaciously going through big roofs, top crevices is delightfully airy.

④ 6b+ ⚡ Méridienne\*\*\*

35m. Fun starts at the 1st big roof, but it's after the 2nd overhang that things go wrong, easier when you know where the holds are. (Cal: C, S, M)

⑤ 4c ⚡ Opposition\*\*\*

35m. A wonderful bridging crack with lovely positive holds, middle section requires artistic granching. Cal: OES

⑥ 6a ⚡ Kim\*\*\*

35m. The real classic wall if you're biceps are hurting. (Cal: C, E, S)

⑦ 6a ⚡ Kim Médiane\*\*\*

35m. A very beautiful route with fine sustained climbing. The small roofs require thought. (Cal: S, O)

⑧ 6a+ ⚡ Kim Direct\*\*\*

35m. Good well climbing inside in steepness roof. Good holds exist but do need searching out. (Cal: S, O, L)

⑧ 5a ⚡ Ecole\*

35m. 5a. A popular bédun with an airy finish. Several variants to the right to finish.

**Besumé.** A fantastic sector with superb long routes, lots of exposure and wonderful direct lines. All require good stamina. Big lardies have to enter the sector from around the big block!
